## Give your pet a longer, healthier life

We care deeply about the wellbeing of our animals, which is why we recommend covering your new pet with Fetch. Fetch provides the most complete coverage for your pet and more money back for you. Coverage includes sick-visit exam fees, breed-specific issues, injury and disease in every adult tooth, and more.

### Fetch Wellness

Add Fetch Wellness to your Fetch Pet Insurance for as little as \$15/month to get coverage for preventive and routine care. Buy it today. Start using it as soon as your policy goes into effect. No deductible. No copay. No waiting period.

### Fetch Deals

Save on food, treats, toys and more with Fetch Deals, where members save an average of \$40+ per order. Shop your exclusive offers in the Fetch app.

### Fetch Pet Rx

Fetch is the only pet insurance provider that pays you back 100% on hundreds of qualifying pet meds when you use our online pharmacy, Fetch Pet Rx.<sup>1</sup>

### Alternative & Holistic Care

Treatments like acupuncture, chiropractic care and homeopathic treatments, also known as complementary therapy, are included in coverage.

### Fetch Online Vet

Get expert support when you need it with Fetch Online Vet powered by Vetster. Video call, chat or text with a vet in minutes and get a diagnosis or treatment plan anytime, anywhere, with 100% reimbursed, up to \$1,000 a year.

### Breed-specific issues

Fetch covers medical conditions linked to breed, like breathing problems in French Bulldogs or hip dysplasia in German Shepherds.
